

How to Submit Your Acceptance Deposit

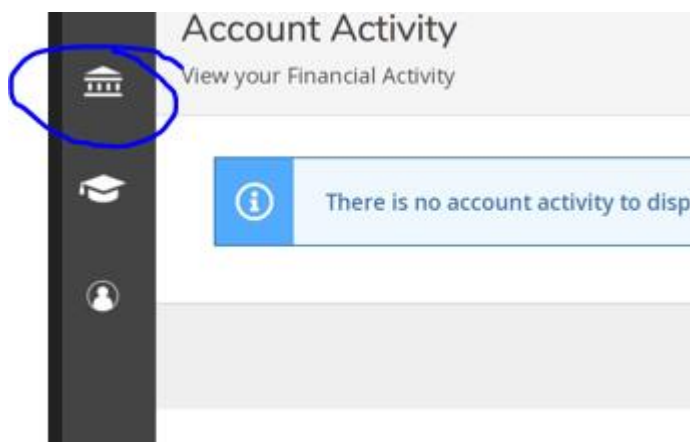

You applied and were accepted, now it's time to make it official! To join #GriffinNation, your first step is to submit a \$500 deposit to hold your place in the ABSN or Weekend BSN program. Acceptance deposits are paid online through GMercyU's Student Self-Service Portal. Just follow these step-by-step instructions.

1. Sign in to your Self-Service account. You should have received your username and password in an email from noreply@gmercyu.edu. Please know, after you have received your acceptance letter this email can take up to a few days to a week to receive your username and password. If you can't find it in your inbox after this time frame, please check your junk, and/or spam folder. If you still cannot find it, please reach out to the Admission's Office at admissions@gmercyu.edu.

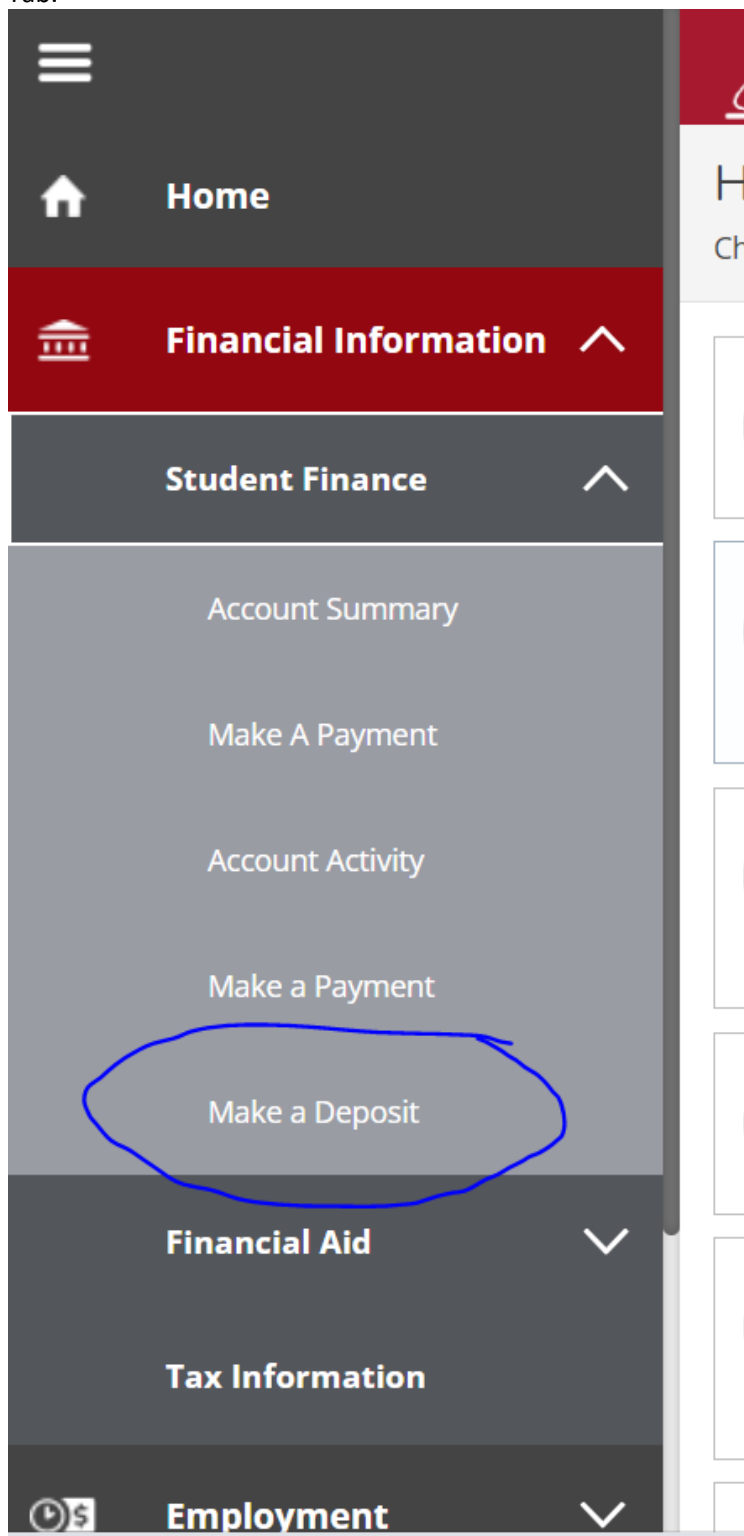

2. You can access Self-Service at <https://myss.gmercyu.edu/Student>. Please note that this is the only way that new students can access the Self-Service portal—you cannot do it through the GMercyU website.

- **Once you have your username form the email you received from Admissions**, your password will beformatted as follows: MMDDITSpwd@- MMDD represents your two-digit birth month and day, ITS (UPPER CASE), pwd (lower case). Please note the "@" at the end of the password. For example, if a student's birthdate is 01/01/2000, their password would be 0101ITSpwd@.
- Make sure you update your password using the instructions above. You need to change the MMDD to your **specific** two-digit birth month and day, otherwise you won't be able to log in. For example, if a student's birthday is January 1st, they will need to put 0101 before the rest of the password toaccess their deposit account.

3. Once you log in to Self-Service, click on the Account Activity tab. That is where you will be able to pay your deposit online.

4. Once you select Account Activity, you want to select the Financial Information Tab, then Student Finance. After the Student Finance Tab is open, click the “Make a Deposit” link underneath the Student Finance Tab.

5. After you click the “Make a Deposit” link, you will be redirected to our secure payment site—TouchNet. You may or may not be asked to reenter your password. Please use the drop-down arrow to click on the semester in which you were accepted to start, then hit “Select”.
